Lists II

Where is my wallet?
When will the damned bus come?
Why does this always happen?
What is the matter with me?
Where are we going?
Who cares, anyway?

Not in my house you don't
Not in a month of Sundays
Not all who wander are lost
Not one chance in a million
Not for the faint of heart

Not your average Joe
Not my circus, not my monkeys

Mailing that letter, you know the one I mean
Planting that dogwood tree in the wrong place
Coming right out and saying it
Not coming over for Thanksgiving
Burning the bridge
Things left unsaid
Leaving for the wrong reason
